Yes please, if you have a PDF copy readily available.

Thank you,  
Anna

Anna,

Yes, the ROD uses MNA for chlorinated solvents – do you need a copy?

**Subject:** Gulfco Marine - MNA Remedy for TCE and PCE  
**Importance:** High

Hi Gary,

We have an external request for information regarding sites with approved MNA remedy components for PCE and/or TCE. Does Gulfco Marine have an approved remedy in place for either contaminant?

Thank you for your help,

Anna Lund  
Project Manager
